Fetch it Forward *Our Tail-End Year-End Challenge*

We did it!!!

*With your help, we met our goal and
raised \$90,628!!*

This is incredible for our dogs!!

We are so incredibly grateful to every one of you who gave and shared our mission! Because of your generosity, we're starting the new year with over \$90,000 to help save SO many dogs. Thank you for believing in second chances and new beginnings!

New Beginnings International Launches Strategic Plan

We're thrilled to unveil our new strategic plan, designed to guide us in our mission to help international sporting dogs find safe, loving homes and a fresh start.

As part of this exciting journey, we're proud to announce several key initiatives:

Opening of Our Rescue Ranch in Delton, MI

October 2025 we opened a dedicated rescue ranch in Delton, Michigan, with facilities designed to accommodate up to 25 sporting dogs. This space will serve as a temporary safe and welcoming environment for dogs beginning their journey (or in transit) to their forever homes.

Expansion of Doggy Den in Greece

Construction was just completed to expand one of our shelters in Greece. This upgrade allows us to ensure the highest standards of care and comfort for even more needy dogs awaiting travel to their forever families.

Adoption Pathway for our International English Setters

In alignment with our mission and continued growth, New Beginnings International will become the exclusive partner of New Beginnings Greece for the importation of international dogs into the USA, with all setters arriving into the care of and available for adoption through New Beginnings International.

Return to Turkey and Expansion to Other Locations

We are taking the first steps toward resuming operations in Turkey, with the goal of reestablishing our rescue efforts there in 2026. We are also examining expansion into other high-need Mediterranean countries on a longer term basis.

Forming New Partnerships to Help More International Sporting Dogs

In recognition of the desperate need for rescue of all types of international sporting dogs, we are expanding our efforts to save and find homes for an increased range of international sporting breeds, including springers, pointers, and brittanys, in addition to setters. NB International is excited to form partnerships with compatible US-based sporting breed rescues to help place as many sporting dogs in adoptive homes as possible.

We extend our heartfelt thanks to all of our partner organizations whose support has made these milestones possible.

Our Volunteer Team is Growing!

As a sporting dog owner, do you feel like it would be rewarding to match adopters with their new dog?

Applicant Buddies Needed!

We are looking for volunteers to team up with our applicants from the time they apply to the time they adopt a dog.

Our volunteers talk to potential adopters when their application comes in and they help match them with a dog to adopt or foster to adopt. They check in with them once weekly until adoption, no data entry required!

We will train you!

Average time commitment: Will be about an hour the first week when they're screened and then about 20 minutes a week after they've been screened, until they find their match!

Do you love logistics and helping dogs get to their new beginnings? ❤️

Join our team as a **Transport Coordinator!**

You'll help organize travel for our rescue dogs once they land safely in the USA — coordinating ground transport runs, and foster/adopter pickups. It's a behind-the-scenes role that makes a huge difference in getting our pups safely to their foster/adoptive homes.

If you're detail-oriented, love teamwork, and want to directly impact lives, this is the role for you!

FOSTERS NEEDED!

Momma Sienna and her 10 puppies were found dumped in the burnt rushes of Fthiotida, Greece 🇬🇷 — and now 9 of the puppies have made it to the USA! Kia, Rivian and Skoda have made it to the Rescue Ranch, and Royce will join them on the first part of February.

These lovable puppies are looking for foster or foster-to-adopt homes!

✉ Apply to foster:

We have many dogs in Greece looking for their forever families! You can foster or foster to adopt one of these lovable sporting dogs!

Fostering saves lives. It gives our dogs a safe, loving place to rest, heal, and decompress while they wait for their next step.

All veterinary care is provided. You provide the love, space, and stability they need.

Fi Partnership

This Fi offer is open to all of our supporters and volunteers!

It's one of the worst feelings in the world when a foster dog gets loose. They're in a brand new environment — with unfamiliar smells, sounds, and even language.

That's why we're so grateful for the Fi Gives Back program! 🐾 Through this partnership, we're able to track all of our foster dogs in real time through the Fi app if they ever get lost. Both our team and the foster family have access, giving everyone extra peace of mind.

We're thrilled to be outfitting all our new foster dogs with Fi GPS collars! 🧡 The collars stay with the dog until they travel to their adoptive home, helping keep them safe every step of the way.

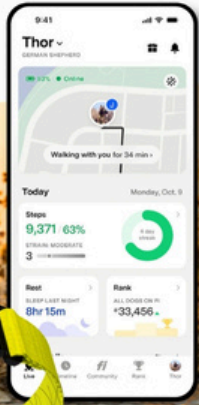

🔌 **Fosters:** please make sure your Fi base is plugged in and your collar is charged!
