In this issue of our newsletter, you'll find a beautiful story about Archi, the Midwest Setter Picnic, and a few FUNdraisers.

## New Beginnings

*International Sporting Dog Rescue*

### Archi's New Beginning

Sweet 10 year old Archi was found in Koropi, Greece, tied up with no food or water. He was emaciated and only 17 lbs.

His rescuer said he was skin and bones and while he wanted to eat, he was not able to stand up to do it. He recovered with a foster family in Greece and by the end of January, he was up to 37 lbs.

Archi traveled to the USA at the beginning of February to an amazing foster family and they made him an official member of the family a few weeks ago! He joins Greek sister Ember and USA brother Roddey. Welcome home Archi and to your New Beginning!!

## Mark your Calendars!

One of our favorite days of the year is our Midwest Setter Picnic!! People drive from all over (some have even flown in!) for a day of food, fun, fellowship and lots of DOGS!!! Mostly setters, and we have a few honorary setters as well that attend!

You can find the sign up here:

There many pet friendly hotels in Kalamazoo and if you have an RV, there is room for that at Jennifer's property with hook ups! A few Airbnb's in the area too.

Items to bring: yourself, your pups, lawn chairs, tent if you have one and a food item to share. We will provide meat for grilling.

If you are able, bring along a raffle item to donate! We already have a ton of amazing items this year to help raise money for NBI. We have Venmo, Paypal and Zelle if you forget your checkbook/cash.

Matt Carter with [Southlake Holistics](#) will also be there with a booth selling his amazing homemade organic items!

### Why We Fundraise for Our International Rescue Dogs

Rescuing dogs from Greece isn't just about saving lives—it's about giving them the New Beginning they deserve. Many of these dogs come from dire conditions, facing neglect, abuse, or life on the streets with little to no access to medical care, food, or shelter.

Our mission is to provide them with safety, proper veterinary treatment, and a loving home, but this comes at a significant cost.

On average, each rescued dog requires **\$2,200** in expenses. This covers:

- ✓ Flight costs, transport fees and kennel costs
- ✓ Vaccinations, spay/neuter procedures, and health certificates
- ✓ Essential veterinary care (exams, deworming, flea/tick prevention)

And that's just for a healthy dog. If a dog arrives needing emergency surgery, heartworm treatment, or rehabilitation, the costs can rise substantially. We never turn our backs on these dogs because of financial barriers, but we rely on donations to make these rescues possible.

### How You Can Help (Click above graphic to donate)

Your support directly impacts the lives of these dogs. Every dollar donated goes toward giving them a future free from suffering. Whether it's a one-time donation, a sponsorship, or simply sharing our cause, you play a vital role in their journey home.

Together, we can save more lives. Thank you for being part of this mission!
