

New Beginnings

International Sporting Dog Rescue

Hello and Welcome to our Spring newsletter

In this issue, you'll read about our Guardian Angel Program, first dogs at the Rescue Ranch, Pathway to New Beginnings, Bernie from Turkiye Greek poppy Tees and our new Shop Proudly Merch Store.

Guardian Angel

Clearing the way to forever.

Some dogs wait longer—not because they're unlovable, but because they need a little extra help.

Through our Guardian Angel Sponsorship Program, supporters cover adoption fees for long-term rescue dogs, removing barriers and helping them finally go home. If a sponsored dog is adopted before funds are used, the sponsorship is applied to the next eligible dog.

Sponsorships begin at \$100 and may be increased up to the full \$490 adoption fee. Sponsors may choose to be recognized in the dog's profile by donor name, in memory of someone special (human or dog), or remain anonymous. If a dog is adopted before funds are used, sponsorships are applied to the next eligible dog.

NEW BEGINNINGS RESCUE RANCH

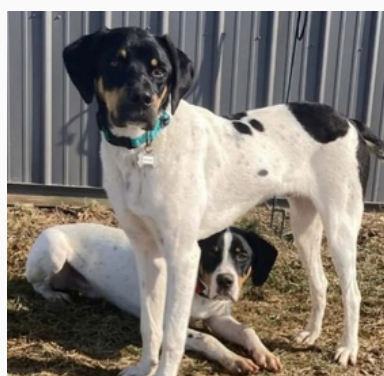

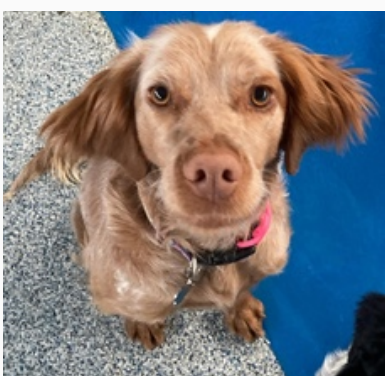

Welcome to the Ranch!

In January, our very first Ranch residents made the long journey from Newark, NJ all the way to Delton, MI — and we couldn't have been more excited to welcome them! Rivian, Kia, and Skoda were our founding tenants. Skoda has since found her forever home, and while Rivian and Kia are still waiting for theirs, they're in wonderful hands. Royce and Lilo joined the family about four weeks later.

The Ranch has been a game-changer for our rescue, giving us a place to welcome dogs we're bringing to the USA before foster homes are lined up. Our three incredible staff members provide daily training, enrichment, plenty of outdoor playtime, and no shortage of snuggles. We've also had families come to the Ranch to meet and pick up their new dogs — for both adoption and fostering — and have completed bath attestations on-site as well. You can follow the ranch Instagram [@newbeginningsrescueranch](https://www.instagram.com/newbeginningsrescueranch)

Rescue Ranch Pathway to New Beginnings

Building New Beginnings, One Brick at a Time

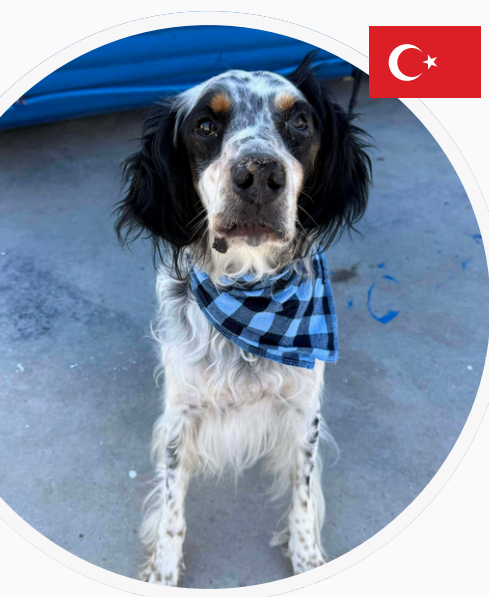

We are thrilled to introduce our Pathway to New Beginnings at the Rescue Ranch. This special walkway will be built using custom engraved bricks, each one telling a story of love, hope and transformation.

Purchasing a personalized brick is a meaningful and lasting way to honor or remember a dog who holds a special place in your heart. Whether celebrating a beloved companion or supporting the journey of rescue dogs, your tribute will become a permanent part of our mission. You can also honor your pup's foster family, or anyone else that has a special place in your heart.

Every brick purchased directly supports our efforts to rescue more dogs, providing them with the care, compassion and the new beginning they deserve. Join us in building a pathway that changes lives on pawprint at time.

If you would like to purchase additional bricks for you own home they will need to be picked up at the Midwest Setter Picnic.

Meet Bernie!

Our very first New Beginnings rescue dog from Türkiye! Bernie recently underwent surgery for a serious fungal infection, and while his recovery has been costly, he has faced every challenge with sweetness and resilience. He has a great prognosis and a loving foster mom already waiting for him. We hope to bring Bernie and our second dog, Emmy Lou, home in May or June.

We need your help to cover his medical expenses. Every donation counts — and if you can't give, sharing his story means just as much. Thank you for helping dogs like Bernie get their New Beginning.

Our Volunteer Team is always **Growing!**

As a sporting dog owner, do you feel like it would be rewarding to match adopters with their new dog?

Applicant Buddies Needed!

We are looking for volunteers to team up with our applicants from the time they apply to the time they adopt a dog.

Our volunteers talk to potential adopters when their application comes in and they help match them with a dog to adopt or foster to adopt. They check in with them once weekly until adoption, no data entry required!

We will train you!

Average time commitment: Will be about an hour the first week when they're screened and then about 20 minutes a week after they've been screened, until they find their match!

Do you love logistics and helping dogs get to their new beginnings?

Join our team as a **Transport Coordinator!**

You'll help organize travel for our rescue dogs once they land safely in the USA — coordinating ground transport runs, and foster/adopter pickups. It's a behind-the-scenes role that makes a huge difference in getting our pups safely to their foster/adoptive homes.

If you're detail-oriented, love teamwork, and want to directly impact lives, this is the role for you!

Email Richard@newbeginningsrescue.org to learn more!

Each spring, red poppies bloom across Greece—bright, resilient, and impossible to ignore. They remind us that even after the harshest seasons, life returns. Our sporting dogs deserve that same chance.

Fi Partnership

This Fi offer is open to all of our supporters and volunteers!

It's one of the worst feelings in the world when a foster dog gets loose. They're in a brand new environment — with unfamiliar smells, sounds, and even language.

That's why we're so grateful for the Fi Gives Back program! Through this partnership, we're able to track all of our foster dogs in real time through the Fi app if they ever get lost. Both our team and the foster family have access, giving everyone extra peace of mind.

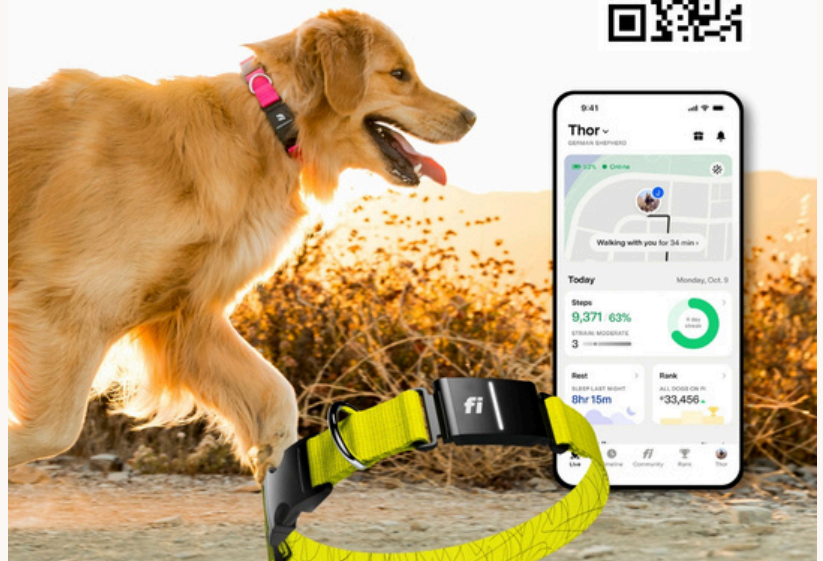

We're thrilled to be outfitting all our new foster dogs with Fi GPS collars! The collars stay with the dog until they travel to their adoptive home, helping keep them safe every step of the way.

Fosters: please make sure your Fi base is plugged in and your collar is charged!
